

# Language Training courses

***THE JOURNEY TOWARDS EXCELLENCE***

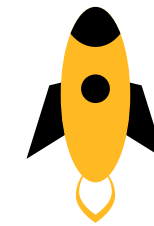

## Vision

At LEO Language, we want to pursue Mandela's vision that "Education is the most powerful weapon which you can use to change the world"

## Mission

By offering our language training programs, we strive to help people gain a deeper understanding of each other and change the world for the better.

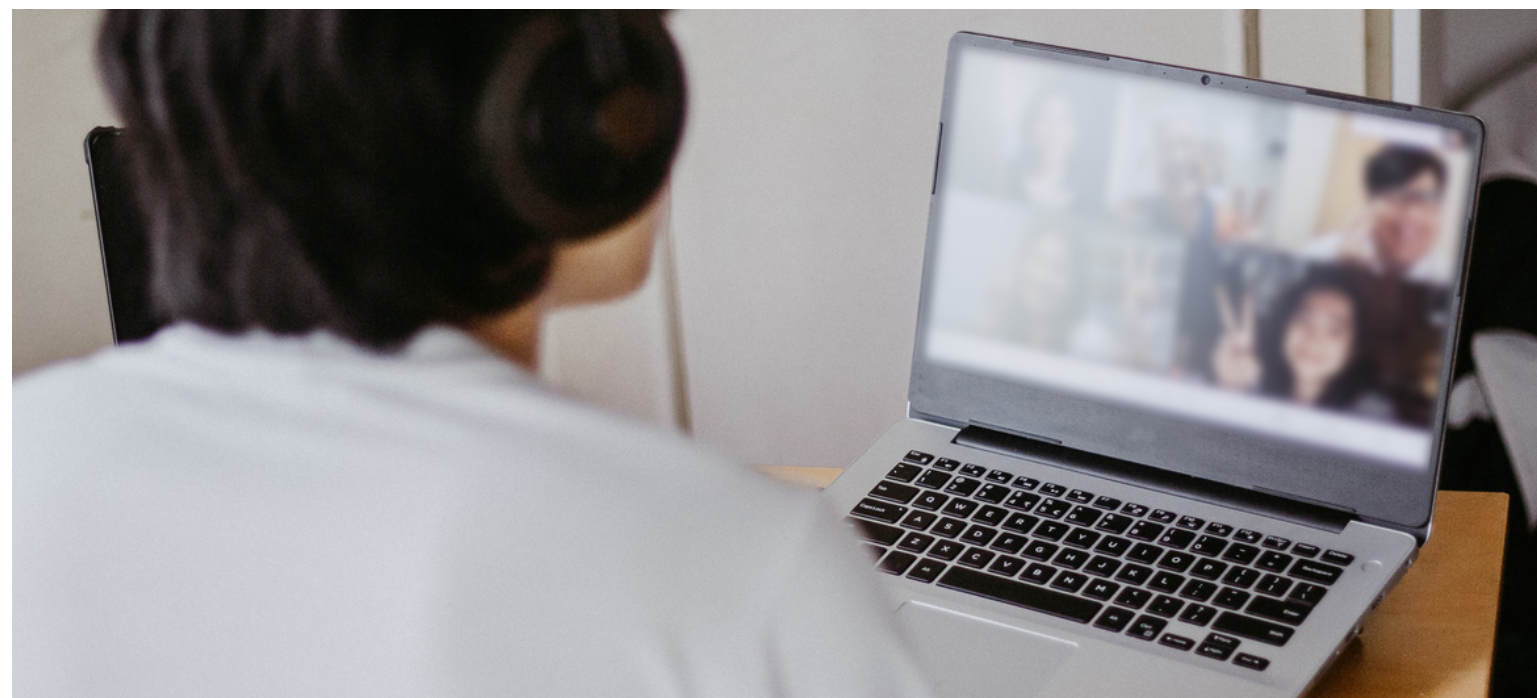

## Goals

Offering the best language training program while keeping it personal, fun, and affordable.

# Group class

## Agenda

- > Groups on demand
- > Private lessons : available year-round.

## Programme

The course is designed to cover the 4 basics skills ( writing, reading, listening, speaking) depending on your level.  
Our teachers are native speakers and certified.

We cover all levels from beginner to advanced.

## Duration

Each Online lesson is 45 min. long as recommended for online teaching.

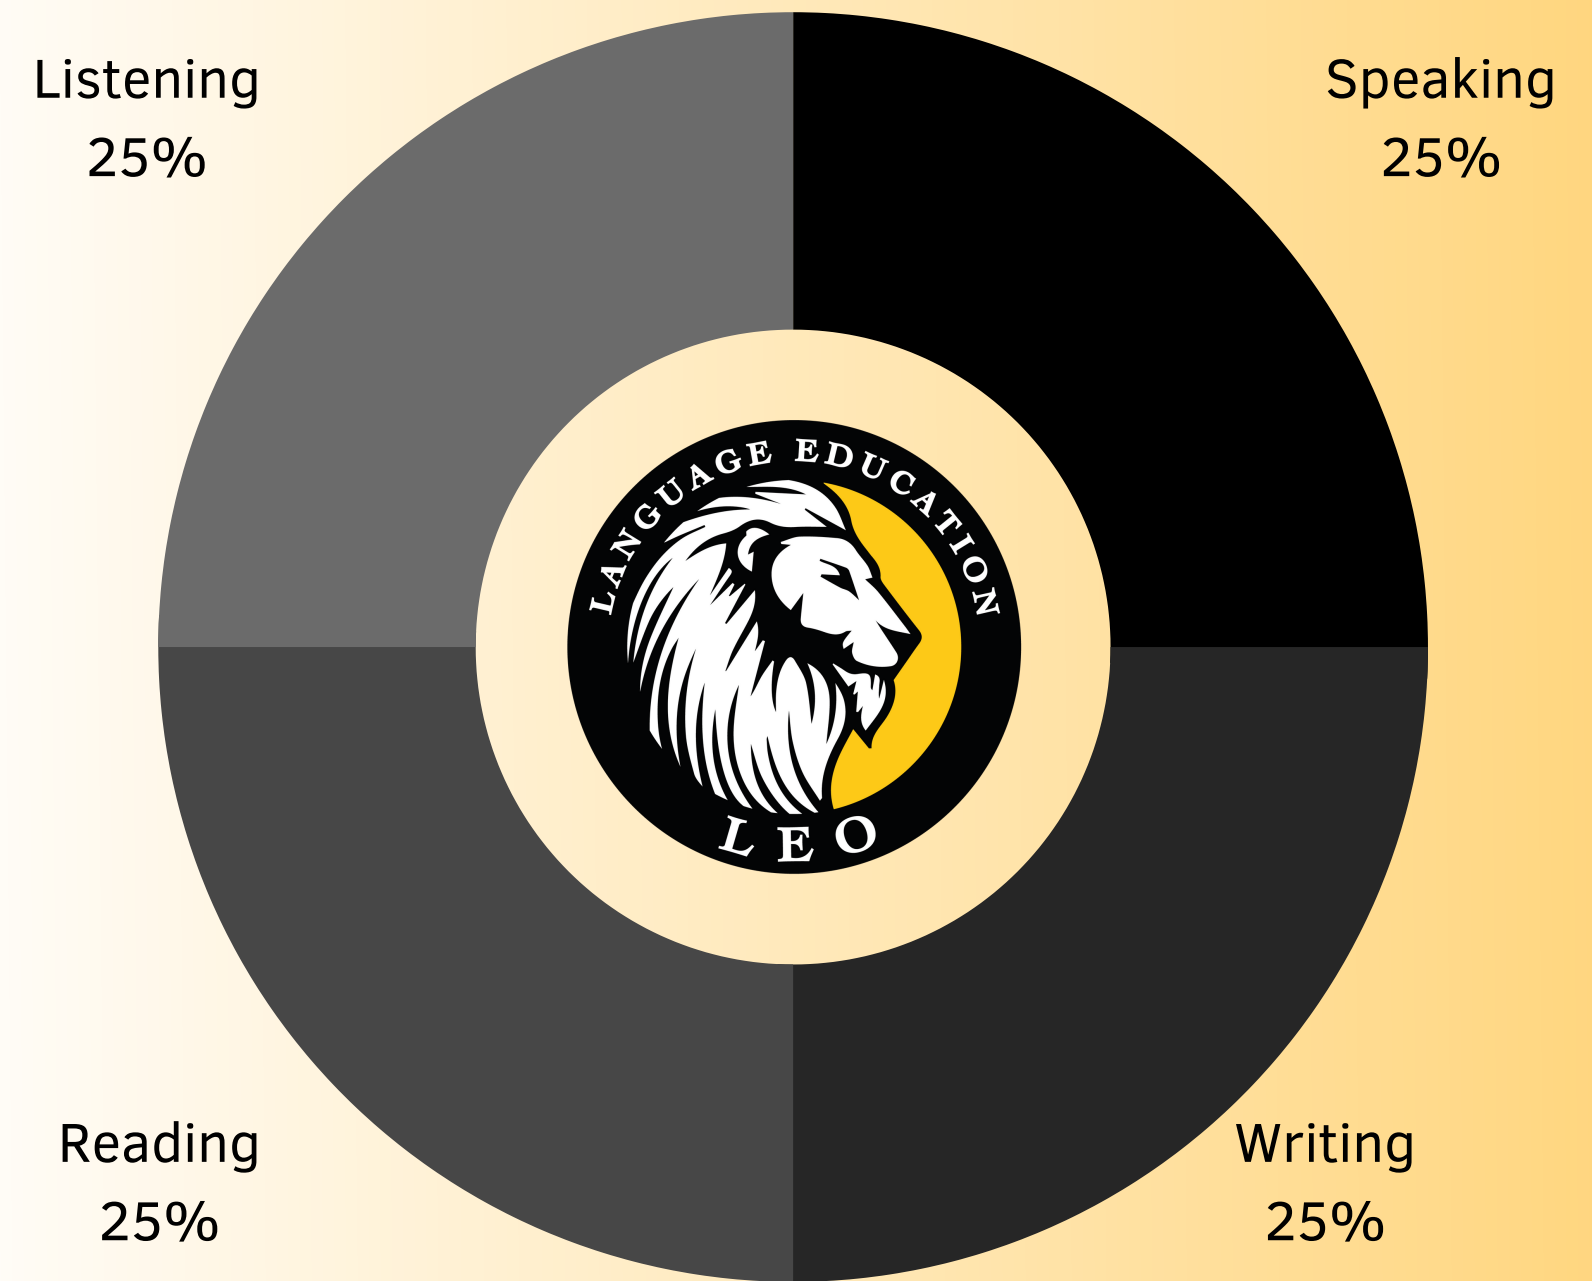

Each in-person lesson is 1 hour long.

We recommend a minimum of 10 lessons to be booked.
